

We Want You  *in the Workforce!*

National Able Network

is excited to offer a new program to Illinois Veterans, which will utilize your skills and knowledge so that you can become a valuable part of your business community.

The opportunity consists of an innovative two-week workshop to:

Attain an effective resume

Begin using the power of networking

Learn successful interview techniques

Emphasize targeted job search skills

Following your two-week workshop, we will work with our network of contacts to help you connect with area businesses. You will then have a chance to sit down with employers and discuss the opportunities they have for you.

To learn more please contact:
Melinda Crosby at (312) 994-8331
or
Ryan Kersh at (312) 994-8308
